

ARE YOU THINKING ABOUT BUILDING ON THE SOUTH COAST ?

Jason Morsink
Registered Professional
Quantity Surveyor and
Construction Project Manager

Then...

Consider us. We are independent Quantity Surveyors. Big Business use Professional Quantity Surveyors in order to save. You can too! For your new home or commercial property, we will support you.

- A Quantity Surveyor will ensure that your project has full financial planning cost control and monitoring)
- As a Quantity Surveyor we are able to assist in safeguarding you from unnecessary expenses and losses (No hidden costs)
- We enable you to know if 'extras', claimed by the Contractor, are legitimate (Protecting your rights)
- We assist you in selecting the right contractor at the best price (Don't get 'caught')
- Get refunded savings on your job (savings belong to you)
- We can also Project Manage your building, where we Plan, Coordinate and Control the project from Inception to Completion on your behalf.
- Visit our Shelly Beach office for a personal presentation without obligation or view our website for more detail.
